The image displays three lowercase 'g' characters from the Source Serif Text Black font family, arranged horizontally. Each character features a distinct 'g-loop' design. The first 'g' on the left is a thin, hollow outline. The middle 'g' is a solid, medium-weight version. The third 'g' on the right is a very thick, bold, solid black version. All three characters have a similar structure: a circular upper bowl with a small tail on the right, a curved stem, and a rounded, open-bottom lower bowl.
