AC TION

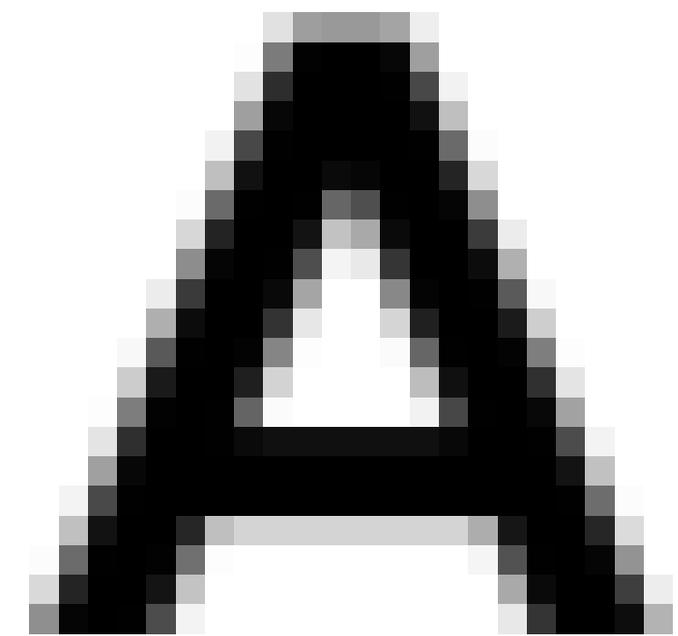

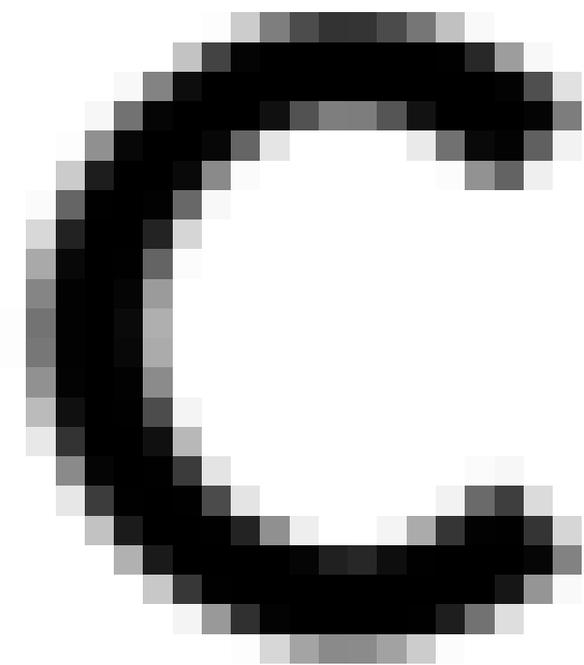

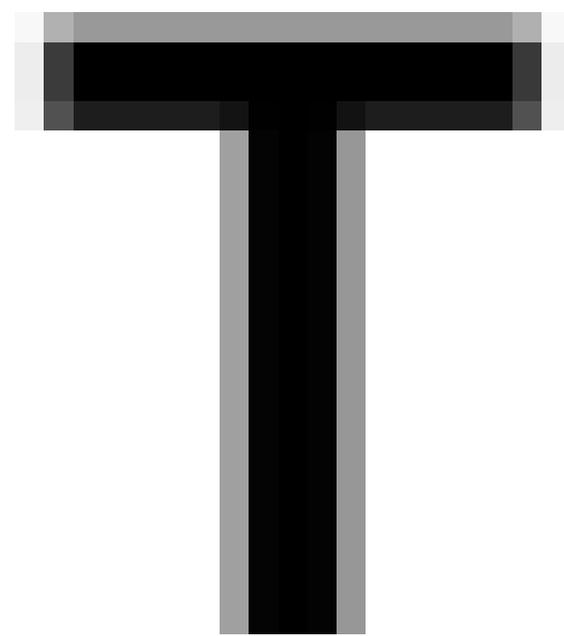

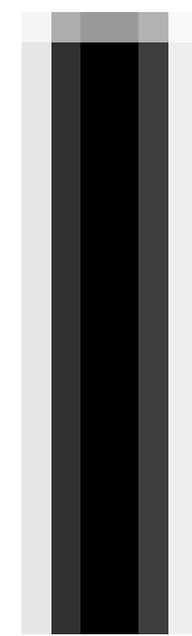

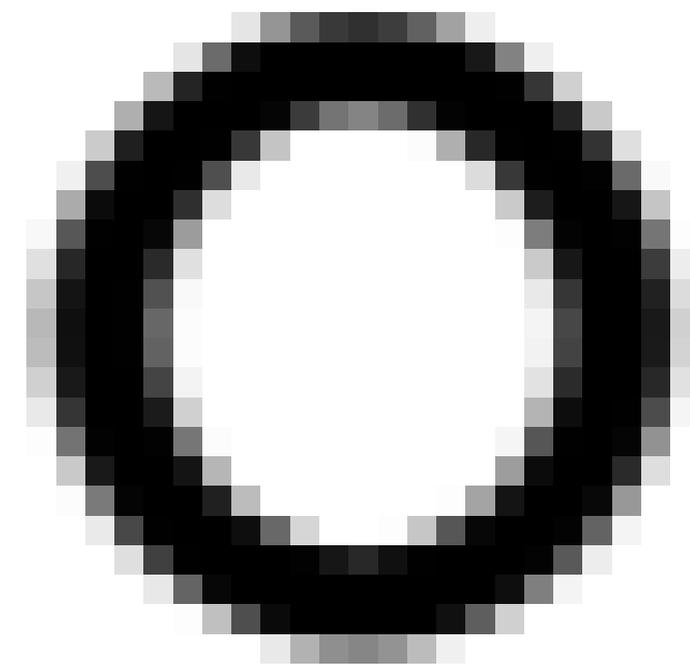

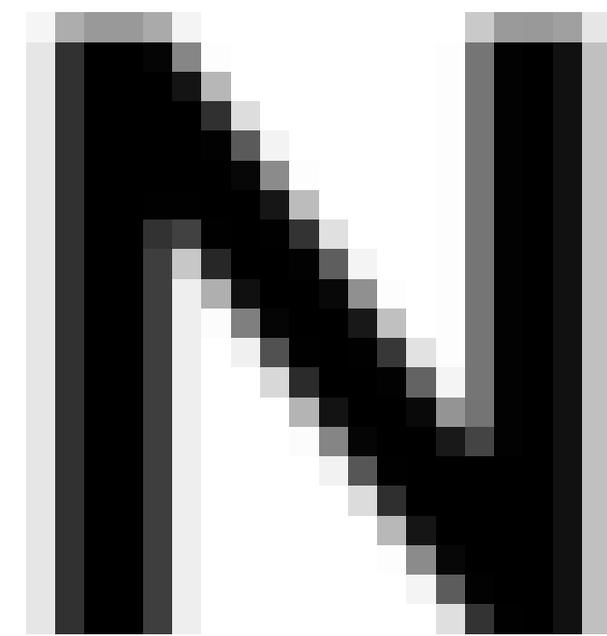

A pixelated, black and white representation of the uppercase letter 'A'. The letter is composed of a grid of black and gray pixels, giving it a blocky, digital appearance. It features a triangular top section and a horizontal base.A pixelated, black and white representation of the uppercase letter 'C'. The letter is formed by a thick, black outline of a circle, with a white center. The edges are slightly irregular due to the pixelated nature of the font.A pixelated, black and white representation of the uppercase letter 'T'. It consists of a horizontal top bar and a vertical stem extending downwards from the center of the bar. The pixels are black and gray, creating a high-contrast, digital look.A pixelated, black and white representation of the uppercase letter 'I'. It is a simple, vertical rectangular shape composed of black and gray pixels, with a uniform thickness throughout.A pixelated, black and white representation of the uppercase letter 'O'. The letter is a thick, black outline of a circle, similar to the 'C', but closed at the bottom. The center is white, and the edges are pixelated.A pixelated, black and white representation of the uppercase letter 'W'. It is a complex shape formed by two 'V' shapes joined at their bases. The letter is composed of black and gray pixels, giving it a blocky, digital appearance.
